Norbury Newsletter

SPRING 2026

The PA hopes everyone had a great Easter break! Our Spring Newsletter is here and will provide you with an update on what we've been doing so far this year, and what to expect as we head into summer.

Easter Egg challenge

Thank you to everyone who has already returned their eggs to school. We have extended our deadline to ensure everyone gets a chance to contribute if they wish - please ensure you return your eggs by Thursday 23rd April. Winners will be announced next week.

Next PA Meeting

The next PA meeting is being held on Wednesday 29th April from 6pm, in one of the classrooms at school. We encourage all parents to consider attending. We will be discussing our plans for the summer term, including preparing for the summer fair in July.

New Treasurer

We require a new Treasurer to join our committee from September, as we say goodbye to our long-standing current Treasurer Alaine. Without a full committee, we are unable to provide all of the events we currently have, nor raise as much money as we have done. We welcome interest from any parent, but especially those with accounting/finance experience - please come along to the next meeting for more information, or contact us at hello@norburyhallpa.co.uk

Pre-loved uniform

Don't forget we have an online shop where you can buy pre-loved uniform at a fraction of the RRP. If you need summer clothes, or replacements for lost items, you can visit our store and we will endeavour to get your clothes with you within a week.

SPRING 2026

Spending the funds we've raised

So far you've helped us to raise over £9,000 this year - all of which will go back to the school to support projects and improvements. Here's a taste of what we've already spent, and what's coming up:

OPAL Project - we've donated £6000 to support the school in the roll out of this project.

Learning Subscriptions & Library fish tank - every year we support the school by providing the money needed to fund the learning subscriptions (e.g. BugClub) and the costs of maintaining the fish tank in the library.

New bike shed a lot of parents have provided feedback to us and the school about the need for a second bike shed/scooter rack. We're pleased to confirm that work is underway to secure this, with the PA providing funds.

We're also looking to replace the school football kits. Please do come along to the next meeting if you have any other ideas to share.

Upcoming dates for your diary

Wednesday 29th April
